

3.9 Optional Services

3.9.1 Subscribers to toll-free services may also subscribe to one of the following optional services:

3.9.1.A. Accounting Codes (non-verified) - Non-specific codes are assigned to customers, projects, departments, divisions, etc. A person or department dialing out must typically enter a code so the cost of the call can be billed at the end of the month.

3.9.1.B. Authorization Codes/BTN (verified) – Specific accounting codes are assigned to an individual, specific client or matter. A person dialing out must typically enter a specific code so the cost of the call can be billed to a specific client, matter, etc.

3.9.2 E-mail Invoicing. Subscribers may elect to receive monthly invoices via e-mail, in which case the monthly billing charge described in section 4.8.1 is waived.
